

TLV4.0PH 4 Post Parking Hoist

The TLV4.0PH is a 4 ton, 4 post parking lift, ideal for creating additional parking in your garage or workshop. As this lift is mobile, it is extremely versatile allowing you to adapt to your future changing space requirements. With tool tray, wheel chocs, column locks, auto slack cable locks, varying locking heights and optional jacking beam, the TLV4.0PH is also perfect for vehicle storage, light maintenance and vehicle servicing. With a 4 ton safe working limit, this lift is suitable for passenger cars, 4WD and light commercial vehicles.

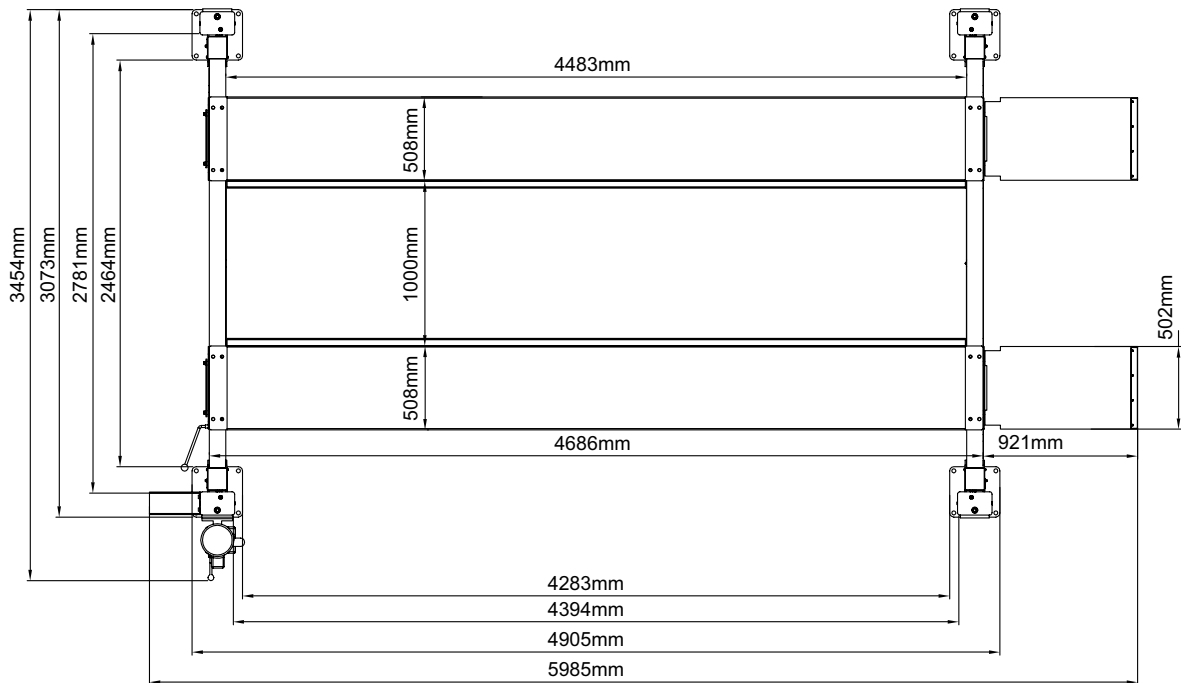

Features

- Double your parking space
- Perfect for storage
- Available in single or three phase power
- Single point lock release
- Safety device works immediately in case a cable slacks or fails
- Certified and design registered with Worksafe
- Warranty: 5 years on structure and 12 months on electrical and hydraulics
