

TL3.6PH-H 4 Post Extra Height

The TL3.6PH-H is a 3.6 ton, 4 post parking lift, ideal for creating additional parking in your garage or workshop. As this lift is mobile, it is extremely versatile allowing you to adapt to your future changing space requirements. With tool tray, wheel chocs, column locks, auto slack cable locks, varying locking heights and optional jacking beam, the TL3.6PH-H is also perfect for vehicle storage, light maintenance and vehicle servicing. With a 3.6 ton safe working limit, this lift is suitable for passenger cars, 4WD and light commercial vehicles.
